

It is everyone's responsibility to protect the welfare of all those who participate in athletics.

Hadleigh Hares take the welfare of everyone within the club very seriously. Our welfare policies follow the guidance and advice of UK Athletics best practices for safeguarding. www.englandathletics.org/clubs-and-facilities/club-support-services/club-welfare/

The Hadleigh Hares Welfare officers are here to support our members and the committee in ensuring our club is an inclusive, safe, and friendly environment for all our members. We want everyone to enjoy their time training at the club. We'll all do our best to make this a safe and welcoming place for all of our members.
